

The new Alpine Auto range of heaters are exclusive from the original Airo models. I.e.: You cannot use an Alpine Auto heater in a standard MV Airo Heater installation, or visa versa.

The following parts must be used together, otherwise the heater will not operate.

2) MV Airo Alpine Auto Rotary Control

2A) Rotary Control Connections

1) MV Airo Alpine Auto Heater (Identified by Yellow Plateau Sticker)

3) MV Airo Alpine Auto Wiring Loom

3A) Wiring Loom Connections
