

The new Alpine Auto range of heaters are exclusive from the original Airo models. I.e.: You cannot use an Alpine Auto heater in a standard MV Airo Heater installation, or visa versa.

The following parts must be used together, otherwise the heater will not operate.

### 2) MV Airo Alpine Auto Rotary Control

#### 2A) Rotary Control Connections

### 1) MV Airo Alpine Auto Heater (Identified by Yellow Plateau Sticker)

### 3) MV Airo Alpine Auto Wiring Loom

#### 3A) Wiring Loom Connections
